

Zenoah CHTZ7500 Hedge Trimmer

The CHTZ7500 is a popular model for professionals looking for a durable hedgetrimmer with performance. A Strato-Charged engine with ultra-low emissions, Reinforced gearcase, steel-needle sealed bearings on the blade connecting rods extend the product life and enhance performance. Four vibration-dampening points system on the rear handle reduces operator fatigue as well as its noise level.

Strato-Charged® Engine

Strato-Charged® engine is a pure 2-stroke engine without using a catalytic converter.
