

Zenoah G5200 Chainsaw

Zenoah G5200 is a full-fledged medium-sized professional chain saw targeted to professional users, providing high operability and reliability.

Dust-free

It separates out dust using a centrifugal method and intakes only clean air. The original "dust-free" features keeps air clean and needs maintenance far less frequently.

Light weight guide bar

Reduced total weight by adopting a partly resin-used guide bar, which brings good balance for excellent operation.
